Mount Carmel College of Nursing

Mount Carmel College of Nursing is an initiative that is undertaken by the Mount Carmel Educational Trust for the purpose of creating premium nursing education for those who choose to pursue a career in this solemn role. We aspire to instil the grace required to serve mankind through their lives and to create the next wave of students who will compete to escalate to the ranks of the best among their colleagues.

Mount Carmel Educational Trust

Mount Carmel Educational Trust was started with the purpose of creating equal learning opportunities for people from all backgrounds and walks of life. We aim to alleviate the disparity of education in this world by creating an educational institution that will focus on its role in the community and does not skimp on the quality of education.

Our Mission

Our mission is to prepare excellent health care providers and leaders to transform the lives of persons and communities through innovative education and health care.

Our Vision

To recognize ourselves in the leadership position among the best nursing institutions as a centre for excellence in nursing education, training, practice and research to meet the challenges pertaining to The human health.

- » Separate hostel facility for boys & girls with excellent food

General Nursing and Midwifery (GNM Nursing)

General Nursing and midwifery (GNM Nursing) is a 3 year diploma in nursing program. The aims of the programs are: To prepare nurses with a sound educational program in nursing to enable them to function as efficient members of the health team, beginning with the competencies for first level positions in all kinds of health care settings. To help nurses develop an ability to co-operate and co-ordinate with members of the health team in the prevention of disease, promotion of health and rehabilitation of the sick.

Basic B.Sc. Nursing

Basic B.Sc. Nursing is a 4 year undergraduate program. The aim of the undergraduate program are to: Prepare graduate to assume responsibilities as professional, competent nurses and midwives in providing primitive, preventive, curative and rehabilitative services. Prepare nurses who can make independent decisions in nursing situations, protect the rights and facilitate individuals and groups in pursuit of health function in the hospital, community nursing services and conduct research studies in the areas of nursing practice. They are also expended to assume the role of teacher, supervisor and manager in a clinical public health setting.

Labs & Library

MCCN have well-equipped laboratories which offers best teaming facilities to provide technical skills. Community Health Nursing Lab, Nutrition Lab, Child Health Lab, OBG Lab, Medical Surgical Lab, Nursing Foundation Lab. Our institution have a well-equipped library with qualified librarian, our library has more than 2500 different subjects titled nursing books in multiple editions, many kinds of journals.

Hostel Facilities

Separate hostels for boys and girls with qualified warden and security around the clock. Our hostels ensure to provide a safe, secure and clean environment for the student to stay, to grow and to become a responsible citizen of the society. Hostellers are provided hygienic, tasty and healthy food. There are clearly defined codes of conduct in our hostel. Violation of the same lead to disciplinary actions.

Faculty

MCCN have well qualified and experienced faculty to cater the needs of the students

Clinical Experience

MCCN is having 100 bedded parent hospital which helps our students to acquire excellent clinical experience in CU, CCU, medical and surgical wards, causality, OT, CSSD, and NICU etc. Apart from parent hospital our institution is affiliated to many hospitals to provide different clinical experiences to our student's requirements to respective courses.

Bank & ATM

Bank & ATM facilities are available in the same premises.

Transportation

MCCN possess bus with 60 seats. Bus is used for the students and teaching staffs to commute to parent hospital, affiliated hospitals, field visit and community centres.
